

DAIMLERCHRYSLER

SAFETY RECALL TO INSTALL A DEBRIS SHIELD ON YOUR VEHICLE'S ENGINE INTAKE MANIFOLD

Dear Jeep® Vehicle Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

DaimlerChrysler Corporation has determined that a defect, which relates to motor vehicle safety, exists in some **1999 through 2002 model year Jeep Grand Cherokee, 2000 through 2001 model year Cherokee and 2000 through 2002 model year Wrangler vehicles that are equipped with a 4.0L engine.**

The problem is...

The intake and exhaust manifolds on your vehicle's engine may allow debris to accumulate on the exhaust manifold. This can cause an underhood fire.

What DaimlerChrysler and your dealer will do...

DaimlerChrysler will repair your vehicle (identified on the enclosed form) **free of charge (parts and labor).** To do this, your dealer will install a debris shield on top of the engine intake manifold. The work will take less than ½ hour to complete. However, additional time may be necessary depending on how dealer appointments are scheduled and processed.

What you must do to ensure your safety...

- **Simply contact your dealer** right away to schedule a service appointment. Ask the dealer to hold the part for your vehicle or to order it before your appointment.
- **Bring the enclosed form with you to your dealer.** It identifies the required service to the dealer.

If you need help...

If you have questions or concerns which the dealer is unable to resolve, please contact the DaimlerChrysler Customer Assistance Center at 1-800-853-1403. A representative will assist you.

If you have already experienced the problem described above and have paid to have it repaired, you may send your original receipts and/or other adequate proof of payment to the following address for reimbursement: DaimlerChrysler Customer Assistance Center, P.O. Box 1040, St. Charles, MO 63302-1040, Attention: Reimbursement.

If your dealer fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, S.W., Washington, DC 20590, or call the toll-free Auto Safety Hotline at 1-888-327-4236.

We're sorry for any inconvenience, but we are sincerely concerned about your safety. Thank you for your attention to this important matter.
