The all-new 2017 Chrysler Pacifica
There are no typical days for the modern family, only equally chaotic. The all-new Chrysler Pacifica is up to the multitask and what happens between the schedule lines — moments that aren’t planned. They remind us of what it’s like to be a kid again. Introducing 37 segment-first* features invented to calm the storm of busy lives, together.

*A note about this brochure: all disclaimers and disclosures can be found on the inside back cover.
Curb appeal.

Generation us.

What’s yours is theirs, and Pacifica stands for family pride as much as your home, while it raises the neighborhood bar. This all-new ultimate family vehicle displays a sleek, athletic stance with a sculpted body. Features like LED lighting, available chrome accents and 20-inch wheels highlight the sharp style to the new silhouette.
Engineered for strength.

The all-new Pacifica architecture is built from the ground up, starting with strategically placed dual-phase, high-strength, lightweight steel, resulting in a strong safety cage that contributes to impact protection.
Noise, vibration and harshness (NVH) take a backseat to a smooth and quiet ride.

The sculpted shape offers advanced aerodynamics, while the enhanced low-sound exhaust and motor volumes, laminated glass, Active Noise Cancellation (ANC) and triple-seal doors contribute to what makes Pacifica the quietest vehicle in its class.²

Utility gets a new platform.

The all-new architecture and independent rear suspension optimize ride and handling with a front suspension cradle configured for strength, stiffness and redefined driving dynamics. The low rolling-resistance tires are a key component to unsurpassed highway fuel efficiency in its class, while stiffer wheel designs reduce NVH factors.

²Based on latest available competitive information and manufacturer's estimated 18 city / 28 hwy mpg with 3.6L engine and nine-speed transmission.
First-ever
Hybrid in its class¹
with 80 MPGe*
Day-tripping on a single charge.

Whether you’re driving in the city or on the highway, the smart Pacifica Hybrid technology seamlessly transfers between gas and electric power based on how you’re driving at that moment. It’s about providing maximum efficiency and capability to cover lower-range daily driving, such as errands and carpooling, all within a single charge. A convenient five-point charging indicator on the instrument panel is visible from outside the vehicle to easily identify the battery’s charge level.

80 MPGe° / 30° electric miles for 530°-mile combined range.

Look to the Hybrid technology for outstanding fuel economy of 80 MPGe°, a 30-mile electric range,° and a total driving range of 530 miles° with V6 powertrain and charge. The Hybrid model may be plugged in and electrically charged, as well as through regenerative braking by the gasoline engine.

Smart app.

The Hybrid-exclusive Uconnect® app lets you get your vehicle information remotely, so you can always be prepared and plan your charging schedule accordingly.

Hybrid screens.

Uconnect offers Hybrid Electric Pages on the Driver Information Display (DID), providing customizable efficiency and power-usage details.

Two-hour charge.

The Pacifica Hybrid enables recharging of the battery via a standard 120v outlet or charge in as little as two hours° with an available 240v charging system.

*Based on manufacturer’s testing. Actual mileage may vary.
† Requires purchase and professional installation. See Chrysler dealer for details.
When you choose the Pacifica, you get a powerful yet economic powertrain with a standard 3.6L Pentastar® Variable Valve Timing (VVT) V6 engine with 9-speed automatic transmission that delivers an impressive best-in-class¹ 287 horsepower and 262 lb-ft of torque.

Unsurpassed highway fuel economy in its class.³

¹Based on manufacturer’s testing. Actual mileage may vary.

9-speed transmission.

The all-new Pacifica is the only vehicle in its segment to be equipped with the pioneering mechanics of a standard 9-speed automatic transmission — a primary contributor to fuel efficiency and driving dynamics.

Wide open space.

Making room for more is rarely a hurdle with the all-new Pacifica's interior spaciousness, including best-in-class cargo volume and second* and third-row seats that fold down into bins in the floor. Occupants in all three rows will notice the abundant leg room, shoulder room and head room for a relaxing, comfortable ride.

*Non-hybrid models.
The spacious family room on the go.

The available new seating for eight* includes an easily removable center seat in the second row, adding an armrest, cup holder and bin when the seatback is folded down. The eighth seat also increases the capacity of LATCH-installed child seats to five. This lightweight seat can be easily removed when additional cargo space is needed.

*Non-hybrid models.
Properly secure all cargo.

Formation finding.

Appreciate the awe-inspiring view while enjoying cloud formations and imagining distant galaxies. The spacious Pacifica interior is visually expanded with the segment-first available Tri-Pane Panoramic Sunroof with power dual-pane, first- and second-row sunroof with third-row fixed overhead glass. The deep-tint glass and available sunshades give a moment of relaxation at any time of the day.
With 243 different seating configurations, versatility goes further.

The all-new family room on wheels offers 243 different seating configurations with the available seating for eight. With seats stowed in the floor, an expansive flat cargo space will hold a large stack of 4’ x 8’ sheets of construction material. When seats are in the upright position, in-floor bins provide storage and gear organization.

Properly secure all cargo.

Class-exclusive\(^5\) Stow ‘n Go\(^\circ\) seating and storage — no heavy lifting or seat removal\(^4\) required.

The only minivan in its class\(^5\) with Stow’n Go seating, storage and cargo system.

Designed to be used without having to remove\(^4\) the seats, the Stow’n Go seating and storage system is the key to smooth transitions. With the new Stow ’n Go Assist feature, stowing gear or the seats in the second-row bins is as simple as pressing a button to slide the front seats forward, allowing easy access to the in-floor bin.
No-fumble entrance made easy.

With the available hands-free liftgate and sliding side doors, a simple wave of a foot opens up the vehicle while the key fob is on or near you. Whether you’re carrying shopping bags or a sleeping baby, getting settled has never been smoother.

Easy Tilt third-row access.

Passengers can easily climb in and out of the third row using the class-exclusive second-row Easy Tilt seat feature. At the simple pull of a lever, the second-row seat shifts forward, even with an unoccupied installed child seat in place.

*Late availability.
Quick cleanup.

Do-it-themselves with the available Stow 'n Vac integrated vacuum.

When things get messy, the convenience of an available lightweight, easy-to-operate, built-in vacuum by RIDGID® reaches behind the second row, making cleanup simple. Stored and contained near the second row of the driver’s side, the most powerful integrated vacuum in its class offers easy access to all corners of the Pacifica. Stow ‘n Vac includes debris-drawer removal, for simple disposal, as well as a longer accessory hose for extended reach.

Properly secure all cargo.
A headache-free zone and quietest vehicle in its class.

The premium, ergonomically designed seats support contours of the body and are available heated and ventilated along with generous leg room. The all-new Active Noise Cancellation (ANC) technology provides a peaceful cabin experience, contributing to the quietest vehicle in its class. The refined interior displays leather and cloth seating options with distinct stitching detail, as well as the standard Rotary E-shift dial and open center console with storage. The available 12-way adjustable driver seat with four-way power lumbar support and memory settings, heated steering wheel and keyless entry with push-button start are part of the available comforts that make Pacifica built to appreciate the driver.
Pacifica transforms passenger productivity, entertainment and safety technology with the future of applied science and automation, bringing home and office capabilities on the road. The available 8.4-inch Uconnect® touchscreen has the ability to display turn-by-turn navigation instructions in the 7-inch full-color Driver Information Display (DID). The available all-new rear-seat Uconnect Theater offers the most advanced entertainment systems in its class. And paramount to helping protect you and your family is over 100 standard and available safety and security features that automatically react in the blink of an eye.

The most technologically advanced vehicle in its class.
The most advanced entertainment system in its class.

**Uconnect Touchscreen.**

Remain focused on the road with your hands on the wheel, while you communicate, navigate and stay entertained. Personalize your information and connectivity with available features like Uconnect Access with WiFi, Siri Eyes Free voice commands, Do Not Disturb to route incoming calls and texts, and the Drag and Drop menu bar to display your top Uconnect features and services.

**Uconnect Theater.**

The available Uconnect Theater allows second-row occupants to bring their lives along for the ride and simply connect with available USB and HDMI device connectivity. This technology integrates apps on two 10-inch HD touchscreens with the ability to stream media, keeping the crew entertained and in place. The dual backseat screens can display separate videos or games simultaneously.

---

**Available Uconnect tools for demanding schedules.**

Uconnect Access available WiFi Hotspot and apps are the remote tools to help you manage your busy lifestyle. From warming up your Pacifica on a cold morning with Remote Start to using Yelp and Voice Texting to arrange dinner plans, you’ll have command of your demanding schedule.

You’ll also enjoy your music apps like Pandora, Slacker Radio, Aha by HARMAN and iHeartRadio using the Uconnect touchscreen.

Visit DriveUconnect.com for more information on all the latest tools and apps that make your life easier.

The largest available touchscreens in its class.
Sound your on-board specialists will approve.

With the available Harman Kardon® premium audio system, every seat is perfectly tuned by sound specialists to immerse you in multichannel surround-sound with up to 20 speakers in 13 locations — providing a life-like audio experience with the powerful quality of GreenEdge™ technology.

A cabin designed for optimal acoustics.

- Six (6) Active Noise Cancellation Components
- Three (3) 3.5” x 1” Speakers
  - Instrument Panel
- Two (2) 6” x 9” Speakers
  - Front Doors

  - 2nd Row
- Four (4) 3.5” x 1” Speakers

SiriusXM® All Access™ Package in your Pacifica and online.

From coast-to-coast road trips to your daily commute, you’ll have over 150 channels to enjoy. Online streaming is also included as part of your one-year trial. So, whether on the go, at home or work, you have the ability to customize your music and listen to your favorite content on demand. SiriusXM Traffic™ and SiriusXM Travel Link™ are included on the 8.4-inch Uconnect® radio with a five-year trial.

Go to siriusxm.com/getallaccess for more information.

Take charge from any seat.

A USB port located in the first-row center stack can be used to play movies on the Uconnect Theater 10-inch HD touchscreens. Available additional ports in the first, second and third row also provide charging convenience.
Personalize the vehicle information you see.

An available 7-inch full-color Driver Information Display (DID) delivers configurable and incredibly crisp graphics that are seamlessly integrated with cluster gauges. The display allows for a wide range of driver assist settings, such as digital speedometer, fuel economy, available Adaptive Cruise Control with Stop and Go, LaneSense® Lane Departure Warning with Lane Keep Assist, and turn-by-turn navigation. A host of trip, audio and vehicle settings and information are also customizable to what you would like to view.

KeySense makes handing over the keys easier.

Put limits on speed, audio volume, SiriusXM® Channel skip and more, as well as activate safety and security settings for additional drivers with the available KeySense feature. All can be assigned easily from the Uconnect® touchscreen to be utilized with a programmable key fob.

Acoustically sound with Active Noise Cancellation (ANC).

Contributing to the quietness of the cabin, the standard built-in ANC technology means engine and street noise are subdued through white-noise wavelengths. The all-new Pacifica offers three levels of audio systems, which are equipped with six ANC microphones to enhance noise quality.
Date night.

The life of the modern family is about quality time — wanting the most for each other while making time for yourself. The gorgeous and sleek all-new Pacifica silhouette makes a good case for ‘parent night out.’
Advanced evolution.

The upper body and frame of the all-new Pacifica’s unibody structure are engineered as a single unit, bringing a superior foundation for achieving premium sedan-like agility. This architecture carries exceptionally solid strength, advanced structural applications, optimized proportions, and dynamic qualities like an enhanced grade of high-strength steels. The new door design also increases visibility around the front windows and pillars while sound-absorbing barriers in body cavities and the engine area reduce overall passenger-compartment noise, contributing to less driver distraction.
The modern minivan driver shows off power moves with confident agility and precision.

Tuned and calibrated on rural roads, thoroughfares, highways, and at validation facilities, Pacifica is equipped to deliver the ride, feel and comfort of a premium vehicle with precision-tuned handling for more aggressive driving characteristics and precise, responsive steering. The Pacifica utilizes approximately 65-percent high-strength steel for maximizing stiffness and strength — for vehicle dynamics and crash performance — while optimizing weight efficiency.

Your family’s safety and security are what matter most.

Over 100 standard and available safety and security features include advanced driver assistance features which help you to park, brake in the event you need it, as well as alert you of vehicles in your blind spot.
No guesswork required.

Whether parking, changing lanes, or simply backing out of your driveway, the available full-surround camera views — with visual and audio alerts — provide a new level of technology. Along with keeping an eye on blind spots and the road ahead, Pacifica offers features that automatically slow and stop the vehicle if it’s too close to another or help steer it back into your lane if you’ve unintentionally drifted.

BSM notifies you when another vehicle is present with illuminated icons in the outside rearview mirrors and chimes when selected. The system alerts you of vehicles in the blind areas when passing or changing lanes. Rear Cross-Path Detection notifies of vehicles crossing your path when your Pacifica is in reverse.
With Parallel and Perpendicular Park Assist, your spot is open. Helping to guide you into place confidently, the available ParkSense® Rear Park Assist with Stop capability and Parallel and Perpendicular Park Assist help you in your daily maneuvers.

Make pro-tip parking skills part of your daily routine.
Available Adaptive Cruise Control (ACC) with Stop and Go\textsuperscript{13} identifies vehicles driving in front of yours and maintains a set distance between you, including Full Stop functionality if necessary.

Optional LaneSense\textsuperscript{\textregistered} Lane Departure Warning (LDW) with Lane Keep Assist\textsuperscript{14} will automatically help guide you back into your lane if you’ve crossed the line without using your turn signal.

Preventing potential impact, available Forward Collision Warning (FCW) with Active Braking\textsuperscript{17} will slow, as well as stop in some instances, your Pacifica to help prevent an impact.

Pacifica helps to keep you at a safe distance.
Interior colors.

The interior on the all-new Pacifica offers sophisticated material and trim combinations with soft surfaces and contemporary colors to convey an ambiance of living room comfort.

Exterior colors.

As many as nine exterior colors are offered (not including a Hybrid-specific hue), as well as an all-new finish. The paint is developed to accentuate the surfacing of Pacifica in terms of how the colors and finishes appear in bright sunlight, overcast or low-light conditions.

The all-new 2017 Chrysler Pacifica embodies family utility and sleek, sporty style. A wide range of Authentic Mopar® Accessories, crafted specifically for the versatile ingenuity of the modern Pacifica, lets you take your family’s active lifestyle even further. From Sport and Cargo Carriers to Premium Protection Parts, Mopar helps the crew and all its gear go the distance. Visit your local Chrysler dealership to see the full line of Authentic Accessories for the all-new Chrysler Pacifica.

All-Weather Mats.
Lightweight mats fit seamlessly within the Snow ‘n Go compartments, providing additional storage options when the second-row seats are not in the stowed position. Sold as a set of two.

All-Weather Mats.
These molded, custom-fit mats feature deep grooves to trap and hold water, snow and mud, protecting your vehicle’s carpet from the elements. The mats, an asset during inclement weather, are sold as a set of four. All-Weather Cargo Mats also available.

Roof-Mount Ski and Snowboard Carrier. *
This convenient carrier holds up to six pairs of skis, four snowboards or a combination of the two. Carrier opens from either side and features corrosion-resistant lock covers. Carrier mounts to the standard Snow ‘n Place® Roof Rack System or Roof Rack Kit.

Hitch-Mount Bike Carrier. *
Hitch-mount carrier comes in two- and four-bike styles (quick-attach mechanism). Each style folds down to allow your vehicle’s liftgate to open without having to remove bikes. Carrier features carrying clamps and security cable.

Premium Cargo Carpet Mat.
This premium, substantial cargo mat helps protect your vehicle’s carpeting. The mat is custom-contoured for a precise fit and is constructed with a superior-gripping backing to help keep it firmly in place. Mat also features a Chrysler metal badge logo and removes easily for cleaning. Set of five Premium Carpet Floor Mats is also available.

Premium Cargo Carpet Mat.
This premium, substantial cargo mat helps protect your vehicle’s carpeting. The mat is custom-contoured for a precise fit and is constructed with a superior-gripping backing to help keep it firmly in place. Mat also features a Chrysler metal badge logo and removes easily for cleaning. Set of five Premium Carpet Floor Mats is also available.

Hitch-Receiver.†
Receiver increases towing capacity to up to 1,600 lb with weight-distributing equipment. The Hitch Ball, Ball Mount and Wiring Harness are sold separately.

Hitch-Receiver.†
Receiver increases towing capacity to up to 1,600 lb with weight-distributing equipment. The Hitch Ball, Ball Mount and Wiring Harness are sold separately.

Chrysler Twill Cap
Item# 10FT7
Not your traditional baseball cap with its attention to detail. Available in grey. Specifications: Made of brushed cotton twill. Embroidered Chrysler logo on front and embossed Chrysler logo on back buckle.

Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a potential crash. The driver must remain aware of traffic conditions and be prepared to brake and steer to avoid potential collisions at all times. (18)

Advanced Front Air Bags in this vehicle are certified to the new convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (14)

This system is a driver convenience system, payment method at then-current rates. If you decide to continue listening after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Go to siriusxm.com to follow your trial subscription.

Also requires the use of a compatible smartphone that supports text messaging and Bluetooth. Check UconnectPhone.com for device compatibility. (12)

SiriusXM subscriptions for audio and data services are sold by SiriusXM to follow your trial subscription.
