2018 Chrysler Pacifica
Smart innovation dedicated to uncompromised versatility.
Long and winding roads reveal panoramic views within the purposefully planned, kid-friendly road-trip vehicle. Your travels will inspire while ensuring the well-being of all your beings with over 100 standard and available safety and security features. The available seating for eight offers plenty of elbow room, as well as your turn to relax, needing only to focus on the road ahead. The ergonomic advantages of Pacifica make it easy to count on a peaceful trip.
Here's to creating balance in a busy world.
You are not simply a parent, coach, caregiver or commuter — you're a traveler, teacher, worker, fixer, breadwinner, friend, sampler and so much more on any given day. That's why you're prepared to answer the call. And why the Chrysler Pacifica is here to serve your real life as the most family-friendly minivan in its class.
Pacifica is powered to deliver robust SUV-like handling

Pacifica S Appearance Packages
for a tougher touch of bold styling.

The new S Appearance Packages feature a number of elements that speak to your brazen side, such as unique 18- or 20-inch Black Chrysler wheels, Black Lower Grill Panel, Black exterior power-folding side mirrors, Black chrome stripes on hood and “S” badge, Black exterior rubber (EGR) molding and Black surrounds. The drivers-side exterior mirrors, the leather-wrapped steering wheel and the door along with distinctive sporty S Appearance Package seats.

Strong and efficient for on-the-go drivers.

The Pacifica includes a powerful yet economic powertrain, with the standard 3.6L Pentastar® VVT V6 engine that delivers 287 horsepower and 262 lb-ft of torque. The pioneering mechanics of a standard 9-speed automatic transmission are a primary factor of the driving dynamics and fuel efficiency of up to 19 city / 28 highway mpg.

Ride and handling.

The structure and independent rear suspension optimize ride and handling, with a front suspension independently configured for strength, stiffness and redefined driving dynamics. The low-rolling-resistance tires are a key component to outstanding highway fuel efficiency, while stiffer wheel designs help reduce noise, vibration and harshness (NVH) factors.

Efficiency

*Based on EPA-estimated fuel economy ratings. 19 city / 28 highway mpg (3.6L V6 with 9-speed automatic transmission), 19 city / 28 highway mpg (3.6L V6 with 9-speed automatic with Engine Stop/Start technology). Actual mileage may vary.
Limited shown in Velvet Red Pearl Coat on pages 8–9. Properly secure all cargo.

Class-exclusive1 Stow ‘n Go® seating and storage system saves workouts for the gym:

Designed to be used without having to remove3 the seats, the Stow ‘n Go system is the key to smooth transitions. With the available Auto Advance’n Return feature, simply pull the seat in the second row forward or in the opposite direction, allowing easy access to the floor bin.

What’s easy for them makes your life easier.

With the available class-exclusive second-row Easy Tilt seating, passengers can easily climb in and out of the third row. At the simple pull of a lever, the second row seat smoothly shifts forward without having to push or pull it, even with an unoccupied child seat in place.

A platform for smooth utility.

Tuned and calibrated on rural roads, thoroughfares, highways and validation facilities, the Pacifica is engineered to deliver the ride, feel and comfort of a premium vehicle. The precision-tuned handling allows for more aggressive driving characteristics, precise, responsive steering and best-in-class towing capacity.4
Look, no crumbs.

Intuitive spaces.
Clever storage spots come in handy throughout the interior, including cup holders, map pockets, sliding drawer for tablets and more. The front row offers generous room along with a spot for a phone or aigger. The available center console and instrument-panel drawer allow you to easily reach items you don’t want left out in the open, keeping your space organized and tidy.

Easy cleanup with the available Stow ‘n Vac vacuum.
With an available lightweight, built-in vacuum made cleanup simple. The powerful integrated vacuum by RIDGID® is stored near the second row of the driver’s side for easy access. Stow ‘n Vac includes a removable debris drawer for easy disposal, and a longer hose attachment allows an extended reach to every corner, cranny and nook of your Pacifica.

Properly secure all cargo.
The far-reaching conveniences of Pacifica are never out of reach. Armloads are a given—hands-free entry is a gift. Whether you’re carrying shopping bags on a daily basis, getting settled has never been easier. With the available overhead mounted hands-free sliding doors and hands-free liftgate, a simple foot kick opens up the vehicle while the key fob sits with you near you.
Utility at the top of its game.

This family room on wheels offers 243 different seating setups with the available seating for eight.* With seats stowed in the floor, an expansive 80 cubic cargo space will hold a large stack of 4’ x 8’ sheets of construction material. When seats are upright, in-floor bins provide storage organization.

Available seating for eight makes room to grow.

The available seating for eight* includes an easy removable/center seat in the second row, adding an armrest, cup holder and bin when the seatback is folded down. The eighth seat increases the capacity of LATCH-installed child seats to five.

*Non-Hybrid models. Properly secure all cargo.
A smarter, safer way to use an iPhone® inside your vehicle and seamlessly integrate it with the Uconnect® touchscreen and Siri® voice control. You can make calls, access music, send and receive messages, get directions optimized for traffic conditions and more while staying focused on the road.

Android Auto
Automatically provides a safer way to use Android devices while driving, sharing information with you while you access your apps. Google Maps with voice-guided navigation and Google Play Music; place phone calls or send and receive messages; ask Google Search any question by voice command.

The technologically advanced family hub

Uconnect® touchscreen with available 4G WiFi

Personalize the information you see. An available 7-inch full-color Driver Information Display (DID) delivers sharp, readable graphics, seamlessly integrated with cluster gauges for a wide range of customizable settings, digital speedometer, fuel economy, active safety features and turn-by-turn navigation with instant access.

Available 4G Wi-Fi is the Pacifica’s traveling hot spot. Securing the perfect location to get online is simple with Uconnect’s available built-in hot spot that connects your Pacifica to fast, reliable Internet speed for up to eight devices and within 50 feet of your vehicle.

Uconnect® Theater

The available Uconnect Theater allows rear occupants to bring their lives along for the ride with dual HDMI inputs, headphone jacks, a Blu-ray® DVD player and a 115-volt outlet. A USB port in the first-row center stack can be used to play movies in the second row, while available ports in the first, second and third rows provide charging convenience. Bluetooth® touchpad remotes, as well as wireless streaming from Android devices, Bluetooth® hands-free and two 10-inch HD touchscreens, truly make this a mobility theater.

Active Noise Cancellation (ANC)

Conducive to its interior quietness, the standard built-in ANC technology means engine and street noise are subdued through white-noise wavelengths. The Pacifica offers three levels of audio systems, which are equipped with six ANC microphones to enhance noise quality.

Front and center performance with a backstage pass.

With the available Harman Kardon® premium audio system, every seat is perfectly tuned by sound specialists to immerse you in multichannel Surround Sound anywhere up to 132 speakers in 15 locations—providing a life-like audio experience.

The most advanced entertainment system in its class
A sweet spot for handling stress.
The premium,人体工程设计的可调节座椅配有透气和通风，提供人体工学设计和充足的腿部空间，提供终极舒适。精致的内饰展示了皮革和织物座椅选择，以及标准的旋转电子换挡旋钮，还带有可选的开放式中央控制台，带有存储空间。可调节的12向驾驶员座椅，带有四向电动腰部支撑和记忆设置，加热方向盘和无钥匙进入与一键启动，都是可用的舒适功能，使Pacifica具有驾驶乐趣。

BUILT-IN TRANQUILITY
The sculpted shape of Pacifica offers advanced aerodynamics, while the enhanced low-sound exhaust and motor, laminated glass, Active Noise Cancellation technology and triple-seal doors contribute to making the Chrysler Pacifica peacefully quiet.
Eco-friendly living has evolved through nurture and nature; and driving farther while reducing your carbon footprint makes sense to the environmentally conscious, cost-efficient family. Pacifica Hybrid offers an astounding 84 MPGe without compromising the space and seating you need. With the automatic-transfer power of a 3.6L V6 gas engine and 16kWh battery, taking the scenic route is always the favored option.
A mission for reducing emissions.

Living an environmentally conscious lifestyle becomes second nature when you drive the Pacifica Hybrid. With a 33-mile electric driving range, 18 the Hybrid is less dependent on gas, helping you produce less emissions for a greener planet. It’s about increasing your resources through the power of choice, and the gas pump isn’t the only place you’ll see savings.

When you purchase a Pacifica Hybrid, you may qualify for up to a $7,500 federal tax credit * — the full amount allowed thanks to the 16 kWh battery. You may even qualify for additional state and local credits.

Electric + gas = powerful efficiency.

The Pacifica Hybrid offers the best of both worlds. Powered by an electric motor and gasoline engine, it automatically switches between electric power and hybrid power. Now it’s simpler to get the efficiency you are looking for with a surprisingly extensive 566-mile total driving range. 18

Instinctively evolved design.

The distinctive Pacifica Hybrid exterior includes LED signature daytime running lamps (DRLs), wave-pattern grille design, teal accents and badging, as well as unique 17- and 18-inch wheels. The port located in the driver fender allows easy charging access after exiting the vehicle, while the capless fuel filler placed on the same side as one of the vehicle for no-guesswork convenience.

Upgrade your garage with a Level II charger.

You have more important things to do than wait for your minivan to charge. Good thing the available 240-volt Mopar® charger 19 (sold separately) lets you fully charge your Pacifica Hybrid in as little as two hours. Simply order the charger through your dealer and schedule an appointment for professional installation. It’s that easy.

566-mile total driving range with 33-mile electric driving range.*
16kWh battery with the 3.6L Pentastar® V6 eHybrid engine.

This heart of the Pacifica Hybrid is the 16kWh lithium-ion battery, delivering up to 33 miles and 84 MPGe solely on zero-emissions electric power. It works seamlessly with a specially adapted version of the 3.6-liter V6 gasoline engine to deliver optimal efficiency. Additionally, every time you brake while driving, the Hybrid’s regenerative braking system turns the motor into a generator, charging the battery to help extend the electric range.

Strong enough to power the vehicle for up to 33 miles on a single charge, the 16 kWh lithium-ion battery of the Pacifica Hybrid can be charged as little as two hours with an available 240-volt Level II charger. The battery has a 10-Year/100,000-Mile Limited Warranty, depending on where the vehicle is purchased.

Pacifica Hybrid
America’s first-ever Hybrid minivan with 84 MPGe

Ready-to-guide-you coaching tool. If you’re going to drive a hybrid, you want to optimize your fuel efficiency. The Pacifica Hybrid uses a small green light on the dashboard to tell you when you’re driving efficiently. When you push performance beyond the eco-friendly range, the light turns yellow.

Uconnect® Hybrid Pages. It’s never been easier to be in tune with your ride. The Uconnect 4C with 8.4-inch Display lets you see your vehicle’s performance — both hybrid and electric. Adjust your charging schedule to run during less expensive off-peak hours, view your power flow and more.

Remote access. Stay connected to your Pacifica Hybrid from anywhere. View a driving history report, see your vehicle’s charging progress, locate a charging station and more — all from the convenience of your phone within the Uconnect Access App.

Day-tripping on a single charge.

Extra-curricular activities make for an active driving schedule during the normal course of any day. And when drop-offs and pick-ups are mapped by your local city streets, the 33-mile electric range fits well within capacity. A full charge of the Pacifica Hybrid covers long daily trips, such as errands, carpooling and shopping, without a charge at the gas pump. Stops at home offer a convenient time to recharge, as well as regenerative braking to keep the day moving along at perfect tempo.

One day, one charge — all the stops
The most technologically advanced 7-passenger Hybrid

In harmony with its surroundings.

The symphony of interior hues, illumination and shapes complements exterior design cues to create the Hybrid signature style. The vivid Teal wing and leaf badging charge light, Hybrid screens, available Ice Blue stitching and interior accents combine in a vibrant palette reflecting its environmental purpose from the inside out. The convenient five-point charging indicator positioned on top of the dash, visible at a glance, as well as from outside the vehicle, makes it easy to check the battery’s charge level from a distance.

Ready to drive.

Monitoring Pacifica Hybrid energy output and input is simple; you instantly know that it’s ready to drive. The Pacifica Hybrid includes the standard Uconnect 4C 8.4-inch touchscreen system with available navigation and Integrated Voice Command. In addition, the Hybrid Electric Pages provide helpful vehicle information screens for Power Flow, Driving History and Charge Scheduling.

Uncompromised versatility.

Without compromising space for efficiency, the Pacifica Hybrid delivers seating for seven, a fold-in-floor third-row seat and all the flat cargo space of the standard Pacifica minivan. This uncompromised utility also comes complete with the versatility to remove the second-row seats, allowing you to change to up to 81 configurations as needed.

Properly secure all cargo.

SafetyTec™ Group

Standard on every Pacifica.

Blind-Spot Monitoring™ [A] — See where you can’t.

This available system helps monitor the area behind and around your vehicle when changing lanes or backing up, and provides visual and audible alerts to help you check your mirrors and blind spots for other vehicles.

This available system will alert you if a vehicle detects another vehicle when you are backing out of a parking space, and provides visual and audible alerts so you can back out safely.

Full-Speed Forward Collision Warning with Active Braking [C]

Whether parking, changing lanes, or simply backing out of your driveway, the available full-surround camera views — with visual and audible alerts — provide a display of your vehicle surroundings in the Uconnect® touchscreen.

Full-Speed Forward Collision Warning with Active Braking [D]

This available system monitors speed to prevent a potential impact. Radar and video sensors detect if the vehicle is approaching another vehicle or large obstacle in its path too rapidly, warning and assisting the driver.

Adaptive Cruise Control (ACC) with Stop [E]

This available system maintains a safe distance from the vehicle in your forward path. This system assists in managing speeds down to zero mph with selectable distance settings.

LaneSense® Lane Departure Warning with Lane Keep Assist [F]

With a forward-mounted camera, this available system identifies lane lines to determine your vehicle position. If you drive on or outside of the lane lines without using a turn signal, a warning is displayed in the cluster and aligns the vehicle to its correct lane position if the driver does not correct the drift.

ParkSense® Rear Park Assist with Stop [B]

Parking close to other vehicles or objects made easy with sensors on the rear bumper. Park-Sense Rear Park Assist with Active Braking can automatically apply the brakes to prevent a potential collision, or contact with objects behind your vehicle during parking situations. The system alerts you with a chime if your vehicle is too close to a stationary object in a parking space, such as in a building, like parking a car or trailer, as well as provides a visual reference on the Driver Information Display for further convenience.

Available Advanced SafetyTec™ Group

The 2017 IIHS Top Safety Pick+ applies to non-Hybrid vehicles equipped with optional front crash prevention and specific headlights, and built after August 2016.

Blind Spot Monitoring — Sees where you can’t.

This available system continuously monitors rear blind zones on either side of your vehicle via radar, and, if a vehicle is sensed in the zones, will notify you via a yellow triangle symbol on the outside rearview mirror.

Available Rear Cross-Path Detection monitors for vehicles/objects in perpendicular relationships to the vehicle when maneuvering backward in parking lots, and provides feedback to you by audible chimes and/or visual icons.

ParkSense® Rear Park Assist with Stop — Parking close to other vehicles or objects made easy with sensors on the rear bumper. Park-Sense Rear Park Assist with Active Braking can automatically apply the brakes to prevent a potential collision, or contact with objects behind your vehicle during parking situations. The system alerts you with a chime if your vehicle is too close to a stationary object in a parking space, such as in a building, like parking a car or trailer, as well as provides a visual reference on the Driver Information Display for further convenience.

ParkSense® Rear Park Assist — Parking close to other vehicles or objects made easy with sensors on the rear bumper. Park-Sense Rear Park Assist with Active Braking can automatically apply the brakes to prevent a potential collision, or contact with objects behind your vehicle during parking situations. The system alerts you with a chime if your vehicle is too close to a stationary object in a parking space, such as in a building, like parking a car or trailer, as well as provides a visual reference on the Driver Information Display for further convenience.

Full-Speed Forward Collision Warning with Active Braking — This available system monitors speed to prevent a potential impact. Radar and video sensors detect if the vehicle is approaching another vehicle or large obstacle in its path too rapidly, warning and assisting the driver.

Adaptive Cruise Control (ACC) with Stop — This available system maintains a safe distance from the vehicle in your forward path. This system assists in managing speeds down to zero mph with selectable distance settings.

LaneSense® Lane Departure Warning with Lane Keep Assist — With a forward-mounted camera, this available system identifies lane lines to determine your vehicle position. If you drive on or outside of the lane lines without using a turn signal, a warning is displayed in the cluster and aligns the vehicle to its correct lane position if the driver does not correct the drift.

ParkSense® Rear Park Assist — Parking close to other vehicles or objects made easy with sensors on the rear bumper. Your family’s safety and security are what matter most

Structural integrity.
The upper body and frame of the Pacifica unibody structure are engineered as a single unit, providing a superior foundation for achieving premium under-the-hood agility. This design has some exceptionally solid strength, advanced structural applications, optimized connections and detailed qualities like the use of an extended grade of high-strength steel. The door design also increases visibility around the front windows and pillars while sound-absorbing barriers throughout the body and engine area reduce overall cabin noise, contributing to less driver distraction.

The Pacifica utilizes approximately 65% high-strength steel for maximizing stiffness and strength — for vehicle dynamics and crash performance — while optimizing weight efficiency. That means you’ll always feel well-protected inside.

(7) Based on the latest available competitive information and the FCA US LLC Premium Minivan segment. (8) Based on available features and the latest available competitive information and the FCA US LLC Premium Minivan segment. (9) Be sure to follow all instructions in Owner’s Manual for removal.

(4) Based on the latest available competitive information and the FCA US LLC Premium Minivan segment. Excludes other FCA US LLC vehicles. (5) Wi-Fi subscription required. Vehicle must be registered with Uconnect Access and fulfill minimum subscription requirements. Vehicle must be properly equipped and in active and usable cellular range for Wi-Fi Usage. Wi-Fi Hotspot does not enable direct communication between multiple in vehicle devices. Factors affecting the performance of Wi-Fi Hotspot include: cellular network, signal strength and quality, time of day, number of channels used by the service provider, type of connection, number of clients using Wi-Fi Hotspot and client devices. This feature is not intended for use by the driver while the vehicle is in motion. Always drive safely. (6) All SiriusXM Guardian-equipped vehicles come with a 12-month complimentary trial effective on the date of purchase on less than a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States, Puerto Rico and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations.

(7) SiriusXM Guardian is a service that provides direct emergency assistance to your vehicle's location. (8) Roadside Assistance Call connects you directly to an agent who can provide the vehicle location to the Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada to have network coverage. Additional roadside assistance charges may apply. Check warranty for details. (11) Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with laws, rules or ordinances in effect where you operate your vehicle. (12) Seed & Go requires a vehicle equipped with a Uconnect 8 Navigation Unit. To use Seed & Go, you must have the SiriusXM Guardian mobile app installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. (13) Active SiriusXM Guardian subscription is required to use this service. Stolen vehicle police report required. Always comply with law enforcement if your vehicle is stolen and do not attempt to recover it on your own. (14) SiriusXM audio and data services each require a subscription sold separately or as a package by SiriusXM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-888-53-I-SIR (1-888-534-7477) or see SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations or on all receivers. (15) Smartphone uses your smartphone's data plan. Additional charges may apply. To use Android Auto, you must be in an area with cellular coverage. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. (16) Apple CarPlay uses your smartphone's data plan. Additional charges may apply. To use Apple CarPlay, you must be on EPA estimated fuel economy rates. Actual mileage may vary. (19) Smartphone uses your smartphone's data plan. Always be aware of traffic conditions and be prepared to brake and steer to avoid potential collisions at all times. (20) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and control the vehicle. (21) This system is not intended to avoid collisions or assist in keeping the vehicle in its lane. (22) Smartphone uses your smartphone's data plan. Always be aware of traffic conditions and be prepared to brake and steer to avoid potential collisions at all times. (23) Always look before proceeding. An electronic device is not a substitute for conscientious driving. Always be aware of your surroundings. (24) This system is not intended to avoid collisions or assist in keeping the vehicle in its lane. (25) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and control the vehicle. (26) This system is not intended to avoid collisions or assist in keeping the vehicle in its lane. (27) This system is a driver convenience system, not a substitute for active driver involvement.
