

## **CUSTOMER SATISFACTION NOTIFICATION L08 ENGINE COOLING FAN**

Dear: (Name)

At Chrysler Group LLC, you can be assured that we are changing the way we look at quality. To prove our commitment to quality, the company is investing in and prioritizing improvements for every vehicle that we build. As part of that commitment, we are also targeting existing vehicles on the road today and contacting our customers to provide these quality improvements, at no charge, that will help to improve your ownership satisfaction.

We are recommending the following improvements be performed on some **2006 through 2008 model year Dodge Charger, Dodge Magnum, and Chrysler 300 vehicles equipped with the severe duty engine cooling option.**

**Recommended Service:** **The electrically powered radiator cooling fans on your vehicle (VIN: xxxxxxxxxxxxxxxxx) may separate during fan operation and cause damage to the radiator.**

**What your dealer will do:** **Chrysler will service your vehicle free of charge (parts and labor).** To do this, your dealer will replace both radiator fans. The work will take about ½ hour to complete. We recommend that you make an appointment with your dealer to minimize your inconvenience.

**What you should do:** Simply **contact your Chrysler, Jeep, or Dodge dealer,** at your convenience, to schedule a service appointment. Your dealer will collect the necessary information to ensure that the appropriate parts are available so your service can be completed in a timely manner. Although not required, we recommend bringing this letter with you to your dealer, when you bring your vehicle in for this service.

**If you need help:** Please contact the Chrysler Customer Assistance Center at 1-800-853-1403.

If you have already experienced this condition and have paid to have it repaired, please send your original receipts and/or other adequate proof of payment to the following address for reimbursement: Chrysler Customer Assistance, P.O.
