

**IMPORTANT SAFETY RECALL****P74 / NHTSA 14V-749**

This notice applies to your vehicle (VIN: xxxxxxxxxxxxxxxxxxxx).

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Dear: (Name)

Chrysler has decided that certain **2015 model year Dodge Challenger** vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 101 – “Controls and Displays”.

***The problem is...***    **The instrument cluster software on your vehicle could cause the instrument cluster to go into a “reset” condition and fail to perform a “bulb check” on safety warning lamps during vehicle start-up.**

***What your dealer will do...***    **Chrysler will repair your vehicle free of charge (parts and labor).** To do this, your dealer will reprogram the instrument cluster with new software. The work will take about 1½ hours to complete. However, additional time may be necessary depending on service schedules.

***What you must do to ensure your safety...***    Simply **contact your Chrysler, Jeep, Dodge or RAM dealer** right away to schedule a service appointment. **Please bring this letter with you to your dealer.**

***If you need help...***    If you have questions or concerns which your dealer is unable to resolve, please contact the Chrysler Group Recall Assistance Center at 1-800-853-1403.

***California residents...***    **The State of California requires the completion of emission recall repairs prior to vehicle registration renewal.** Your dealer will provide you with a Vehicle Emission Recall Proof of Correction Form after the recall service is performed. Be sure to save this form since the California Department of Motor Vehicles may require that you supply it as proof that the recall has been performed.

Please help us update our records by filling out the attached prepaid postcard if any of the conditions listed on the card apply to you or your vehicle. You may also update this information on the web at
