# IMPORTANT EMISSIONS RECALL

## Catalyst Efficiency

Dear [Name],

FCA US LLC, has determined that certain [2014 - 2016 Model Year (KL) Jeep® Cherokee, 2014 - 2016 Model Year (PF) Dodge Dart, 2015 - 2016 Model Year (VM) RAM ProMaster City, 2015 - 2016 Model Year (UF) Chrysler 200, 2015 - 2016 Model Year (BU) Jeep® Renegade, and 2016 Model Year (FB) FIAT 500X] vehicles equipped with a 2.4L engine may release air pollutants which exceed tailpipe emission standards.

#### WHY DOES MY VEHICLE NEED REPAIRS?

Your vehicle <sup>[1]</sup> may exceed tailpipe emission standards due to a loss of catalyst CO/NOx conversion efficiency resulting from the catalyst operating at high temperatures.

#### HOW DO I RESOLVE THIS IMPORTANT EMISSIONS ISSUE?

FCA will repair your vehicle <sup>[2]</sup> free of charge (parts and labor). To do this, your dealer will reprogram the Powertrain Control Module (PCM) and Transmission Control Module (TCM) with the latest software. In addition, your dealer will install a new catalyst. The estimated repair time is 2 hours. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,  
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

#### CALIFORNIA RESIDENTS

The State of California requires the completion of emission recall repairs prior to vehicle registration renewal. Your dealer will provide you with a Vehicle Emission Recall Proof of Correction Form after the Emission Recall service is performed. Be sure to save this form since the California Department of Motor Vehicles may require that you supply it as proof that the Emission Recall has been performed.

In order to ensure your full protection under the emissions warranty provisions, it is recommended that you have your vehicle serviced as soon as possible. Failure to do so could be determined as lack of proper maintenance of your vehicle.

#### WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit [www.fcarecallreimbursement.com](http://www.fcarecallreimbursement.com) to submit your reimbursement request online. <sup>[2]</sup> Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your satisfaction. Thank you for your attention to this important matter.
